

THE DEMOCRATIC CHART.

The Plan of Organization of the Democratic Party.

DEM. CENTRAL EX. COMMITTEE.
The following is the plan of organization heretofore adopted by the State Democratic Committee for the guidance of the party:

Township Organization.

1. The unit of county organization shall be the township. In each township there shall be an Executive Committee, to consist of five active Democrats, who shall be elected by the Democratic voters of the several townships in meetings called by the County Executive Committee. And said committee so elected shall elect one of its members as chairman, who shall preside at all of the said committee meetings.

2. The several township executive committees shall convene at the meetings of the several county conventions, or at any time and place that a majority of them may elect, and shall elect a county executive committee, to consist of not less than five members, one of whom shall be designated as chairman, who shall preside at all of the said committee meetings.

3. In case there shall be a failure on the part of any township to elect its executive committee for the period of ninety days, the county executive committee shall appoint said committee from the Democratic voters of said township.

4. The members of the township committees shall elect to any vacancy occurring in said committee.

5. The county executive committee shall call all necessary county conventions by giving at least ten days notice by public advertisement in three public places in each township, at the court house door, and in any Democratic newspaper that may be published in said county, requesting all Democrats of the county to meet in convention in their respective townships on a common day therein stated, which said day shall not be less than three days before the meeting of the county convention, for the purpose of electing their delegates to the county conventions so held, shall elect their delegates to represent the townships in the county conventions from the voters of the respective townships, which delegates, or such of them as shall attend, shall vote the full Democratic strength of their respective townships on all questions that may come before the said county conventions. In case no convention shall be held in any township in pursuance of said call, or no election shall be made, the township executive committee shall appoint said delegates.

6. Each township shall be entitled to cast in the county convention one vote for every twenty-five Democratic votes, and one vote for fractions of fifteen Democratic votes cast by that township at the last preceding gubernatorial election: PROVIDED, That every township shall be entitled to cast at least one vote, and each township may send as many delegates as it may see fit.

7. In cases where townships consist of more than one ward or precinct, each of said wards or precincts shall be entitled to send delegates to county conventions, and shall cast its proportionate part of its township's vote, based upon the last preceding vote for Governor in said township.

8. The chairman of township committees shall preside at all township conventions. In their absence any other member of said committee may preside.

9. In cases where all the township executive committees are required to meet for the purpose of electing county executive committees, said meetings shall be deemed to have a quorum when a majority of such townships shall be represented in said meeting.

County and District Conventions.

1. The several county conventions shall be entitled to elect to their Senatorial, Judicial and Congressional conventions one delegate and one alternate for every fifty Democratic votes, and one delegate for fractions over twenty-five Democratic votes cast at the last preceding gubernatorial election in their respective counties, and none but delegates or alternates shall be entitled to seats in said conventions: PROVIDED, That every county shall have at least one vote in said conventions.

2. The chairman, or in his absence, any member of the county senatorial, judicial and congressional committee, shall call to order their respective conventions, and hold their chairmanship thereof until the convention shall elect its chairman.

3. The executive committees of the senatorial, congressional and judicial districts, respectively, shall at the call of their respective chairmen, meet at some time and place in their respective districts, designated in said call. And it shall be their duty to appoint the time and place for holding conventions in their respective districts; and the chairman of said respective committees shall immediately notify the chairman of the different county executive committees of said appointment, and the said county executive committee shall forthwith call conventions of their respective counties in conformity to said notice, to send delegates to said respective district conventions.

State Conventions.

1. The State convention shall be composed of delegates appointed by the several county conventions. Each county shall be entitled to elect one delegate and one alternate for every one hundred and fifty Democratic votes, and one delegate for fractions over seventy-five Democratic votes cast therein at the last gubernatorial election; and none but delegates or alternates so elected shall be entitled to seats in said convention: PROVIDED, That every county shall have at least one vote in said convention.

2. The chairman, or in his absence, any member of the county senatorial, judicial and congressional committee, shall call to order their respective conventions, and hold their chairmanship thereof until the convention shall elect its chairman.

3. The executive committees of the senatorial, congressional and judicial districts, respectively, shall at the call of their respective chairmen, meet at some time and place in their respective districts, designated in said call. And it shall be their duty to appoint the time and place for holding conventions in their respective districts; and the chairman of said respective committees shall immediately notify the chairman of the different county executive committees of said appointment, and the said county executive committee shall forthwith call conventions of their respective counties in conformity to said notice, to send delegates to said respective district conventions.

4. All Democratic Executive Committees shall have the power to fill any vacancy occurring in their respective bodies.

5. That the chairman of the different county conventions shall certify the list of delegates and alternates to the different districts and State Conventions, and certified list of said delegates and alternates to the State Conventions shall be sent to the secretary of the State committee. For the committee.
